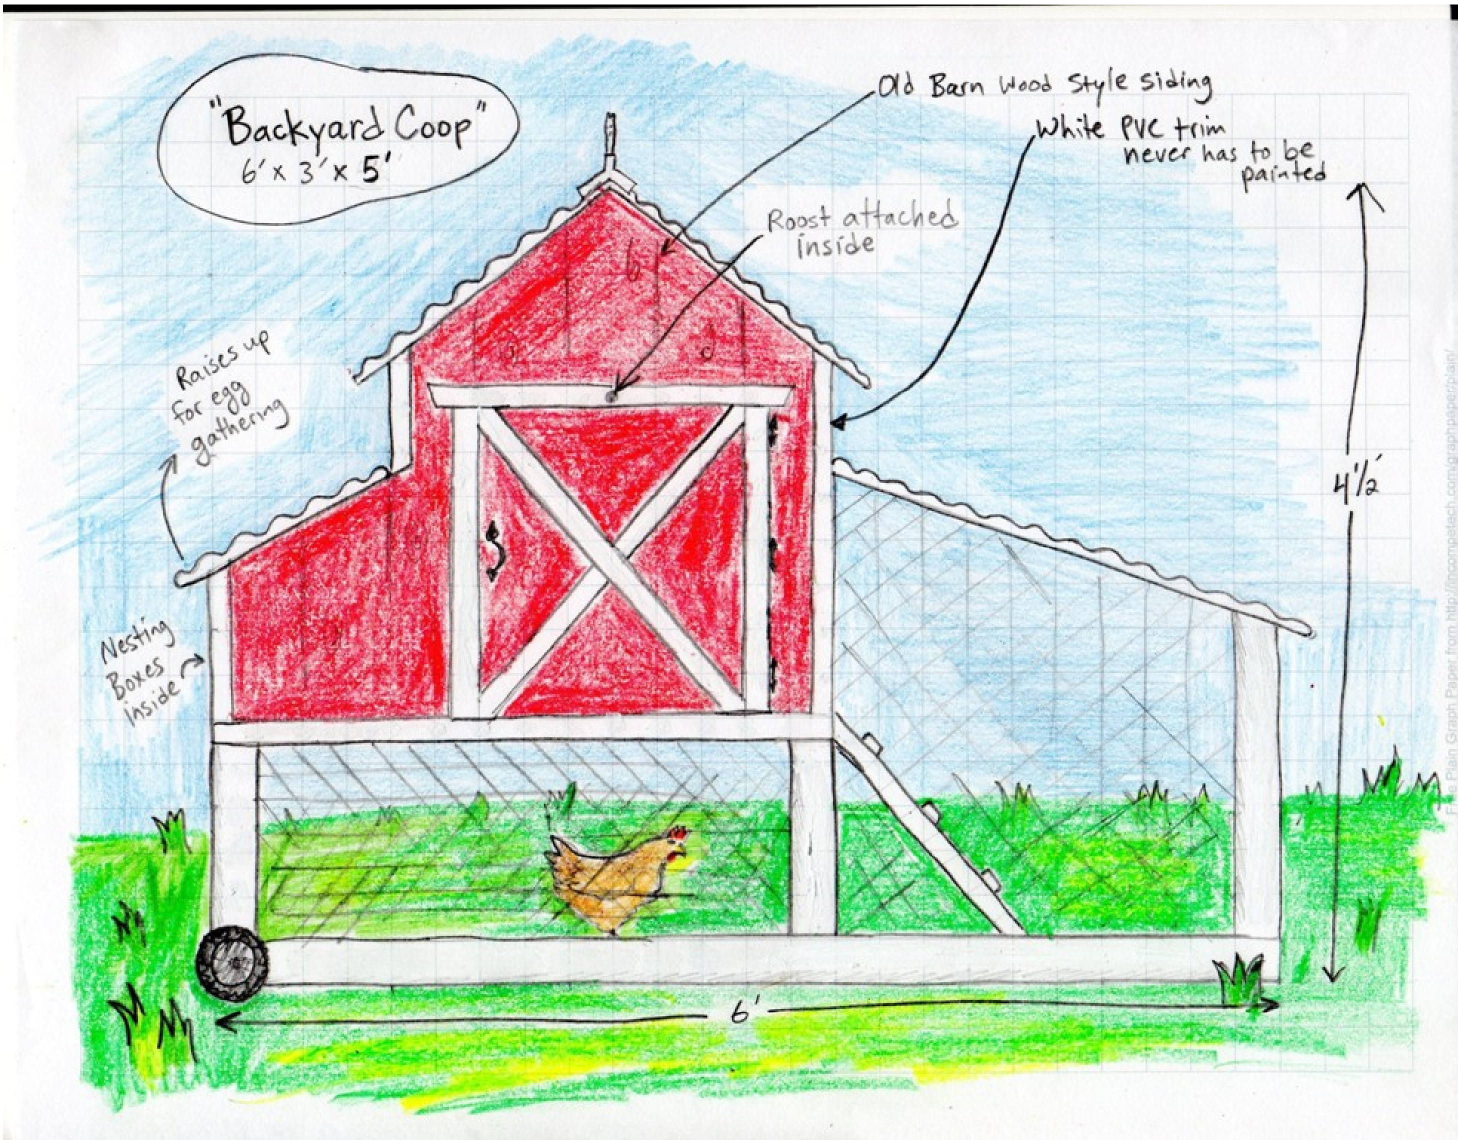
Here's our new 'Backyard Chicken Coop' design.

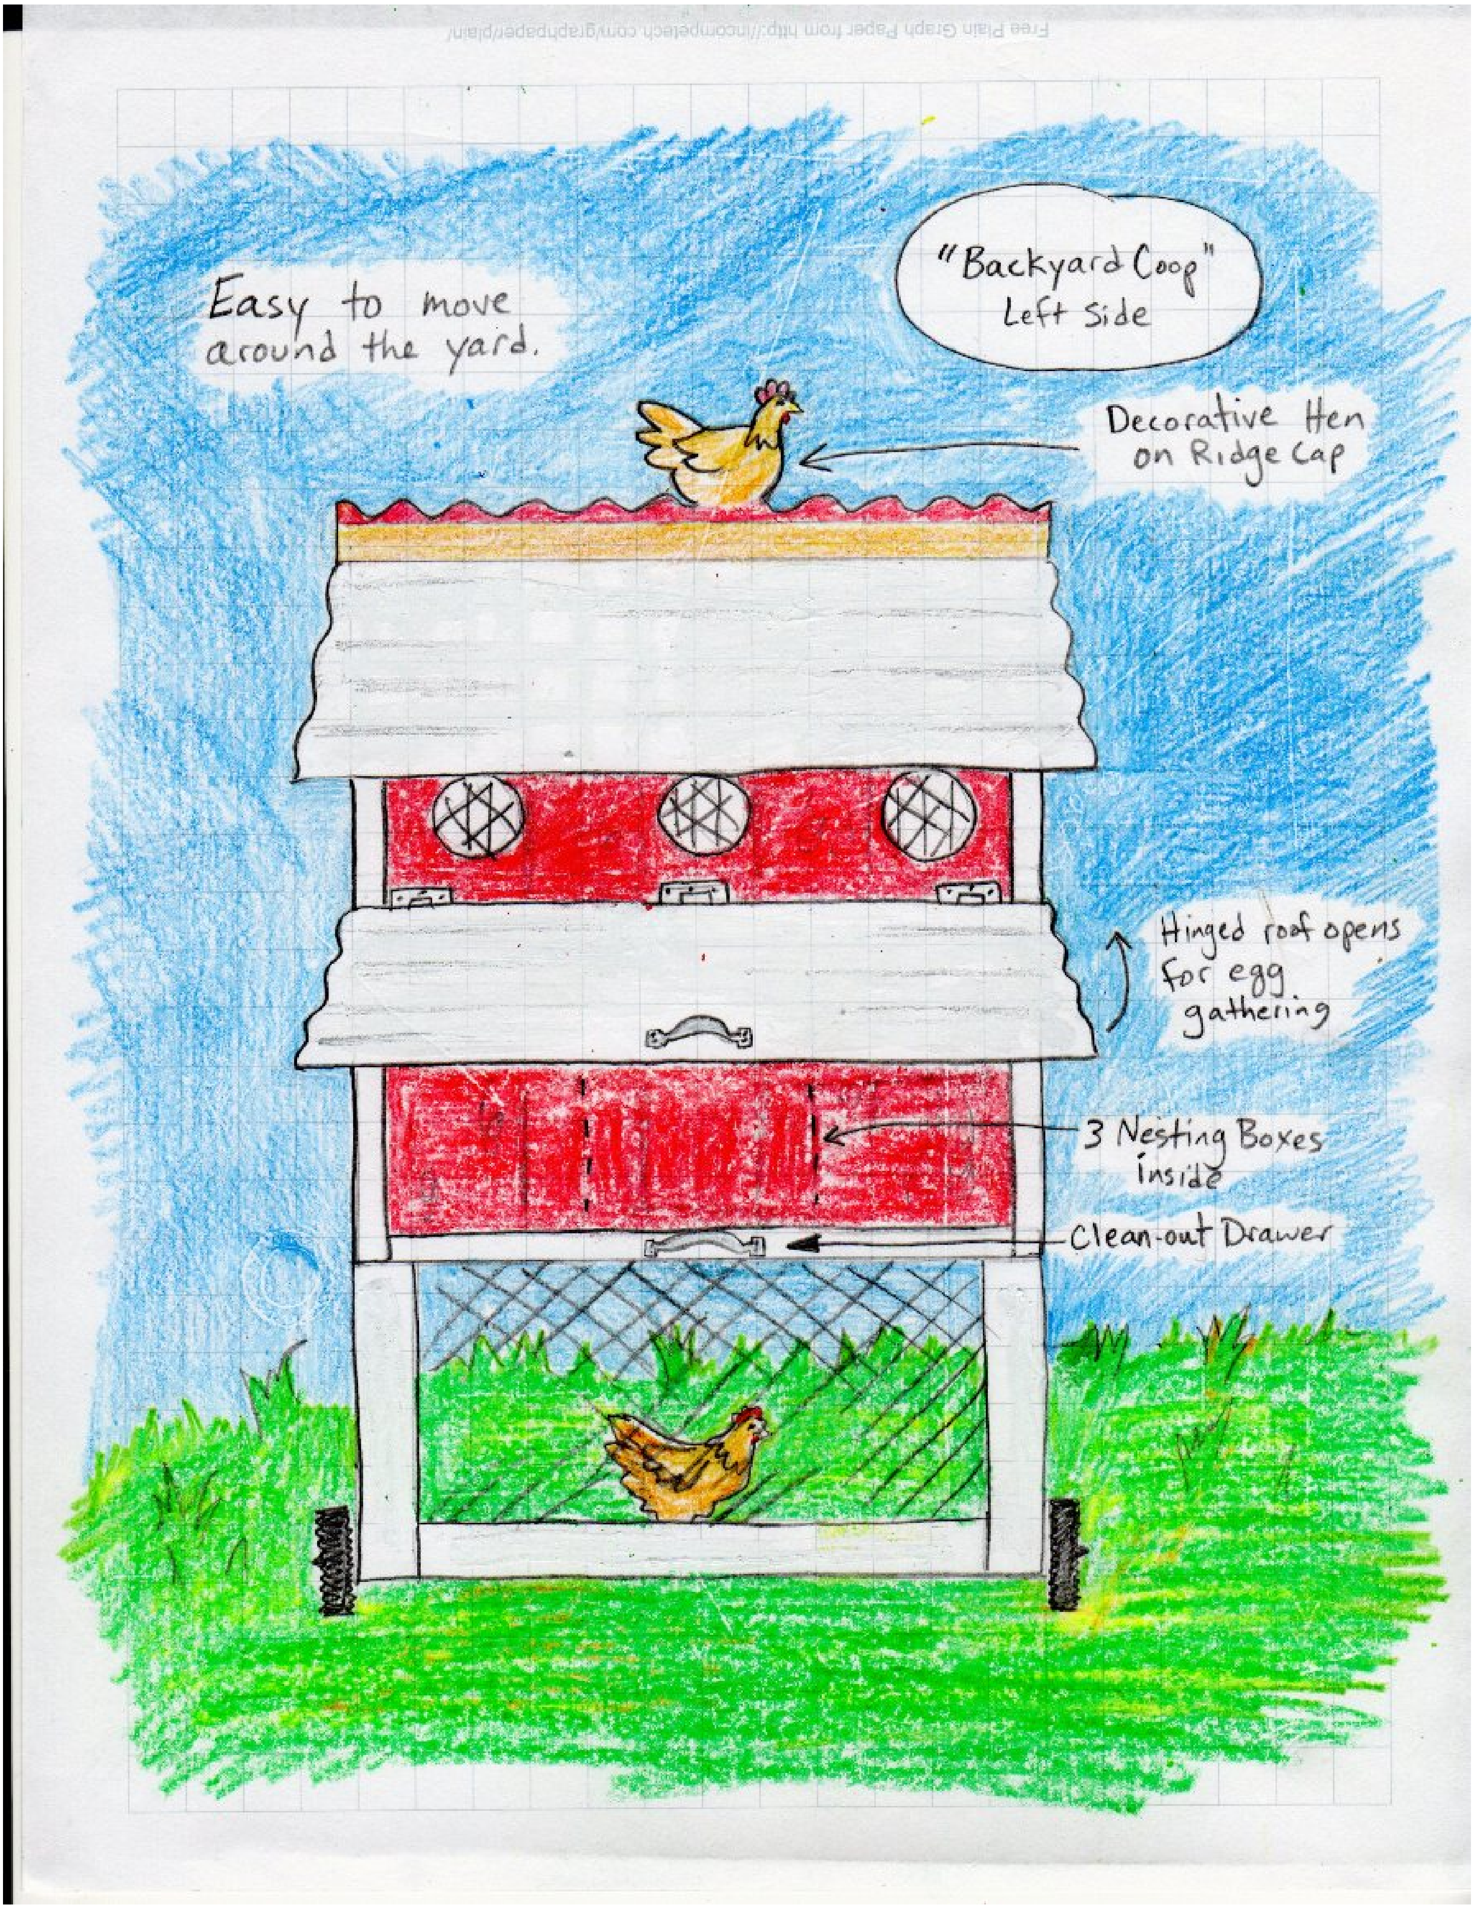


"Backyard Coop"
6' x 3' x 5'
Old Barn Wood Style siding
White PVC trim never has to be painted
Roost attached inside
Raises up for egg gathering
Nesting Boxes inside
4½'
6'

We're taking orders for these now. This coop features:

- An easy slide clean-out drawer and
- Lift-up lid over the nesting boxes for easy egg gathering.
- It's Movable: It is easy to roll around your yard...think fertilizer spreader and insect suppression.

- All of the white trim is PVC or vinyl material that never has to be painted.
- To maximize space the chicken run includes the area below the coop.
- There is a roost inside and room for your feeder and water with a large door for access.
- ......AND it has a cute chicken carved on the top!



Easy to move around the yard.
"Backyard Coop" Left Side
Decorative Hen on Ridge Cap
